

Raise funds for the EACR Bell Restoration Account the easy way!

The Essex Association of Change Ringers Bell Restoration Account offers grants to tower and bell restoration projects throughout Essex, paying out many thousands of pounds each year.

To support more, we need to raise more.

District activities, district, tower and personal donations, are already valuable sources.

Now we can use our internet shopping as well! From Sainsbury's and Waitrose to Amazon and ebay, all will donate every time you shop. And we can claim Gift Aid too!

It's simple to do:

- Register at easyfundraising.org.uk
- Select 'Essex Association of Change Ringers' as your good cause
- Access all your usual on-line suppliers via the easyfundraising website. There's even an app!

With our 1,100+ membership, even if we all just buy a couple of items a year, there's the potential for over £1,000 for the BRA. Why not sign up now?

The easyfundraising website has full details of what you need to do and how it all works, including the donations made by different retailers. You can even install a donation reminder if you need one.

If you feel you need someone to talk to, email Andrew Brewster at treasurer@eacr.org.uk

East Hanningfield (2016) - £580

Maldon, All Saints (2016) - £3,000

Old Harlow (2016) - £6,700
