Ringling at the Cathedral is for everyone - do come along and experience the Cathedral bells, especially if you haven't rung there before. Please arrive in good time so as many as possible can have a ring. Entrance is by the West or South Doors (a service will just be finishing so please enter quietly). The address at the Service will be given by the Revd David Parrott, former Rector of Rayleigh. The AGM will begin as soon as the Cathedral has been re-arranged after the service. The full Agenda and last year's Minutes are printed in the 2005 Annual Report. The Rules are available on the website (<http://www.eacr.org.uk>). The Master and officers look forward to meeting as many members as possible during the day.

### Danbury Diary

The Association's Executive Committee met as usual at Danbury at the beginning of February. The district officers, elected and appointed officers and Life Vice-Presidents are automatically charity trustees. As such, they have to prepare for the AGM: the Treasurer's and Trustees' reports have to be considered and approved before they are submitted to the members. The AGM agenda is also finalised as all nominations and notices of motions have to be received by 1 February. Please see the separate item about the AGM in this newsletter; the full agenda is printed in the Annual Report.

The Committee approved recommendations for grants from the Tovell Bequest for Toppesfield, Romford, Brentwood, Earls Colne and Theydon Garnon. Bell restoration fund grants were also voted for Lamarsh, Earls Colne, Romford and Brentwood.

Then we moved on to discussion of the reports from the appointed officers (technical adviser, peals, education, report and child protection).

Adrian Semken and Adrian Malton submitted a discussion paper on future tasks and organisation. A copy of this paper is being circulated to all towers and it is also available from the website. Feedback, comments and suggestions can be passed to any committee member.

The meeting concluded with an exchange of news from all the districts - and more news in Any Other Business.

### Still Wanted... Public Relations Officer

Purpose of the Job — To promote the Association and its activities to the general public, the Church and the ringing community. For a copy of the Job Description, or if you're interested in finding out more, please contact Mary Bone.

We would like to thank Libby Lawrence for temporarily taking on the role of PRO for this year's ringing course.

## **"The Future" A Discussion Paper**

As mentioned in the article Danbury Diary, a discussion paper has been prepared by Adrian Malton and Adrian Semken. This paper was submitted at the February 2006 Executive Committee Meeting and the committee agreed its distribution to members.

It is meant to stimulate discussion and debate among the Members of the Association and asks two fundamental questions :

1. Does ringing in Essex need any organisation, (i.e. the Association)?
2. Does anything need to be changed?

## **The Queen's 80th Birthday**

This year the Queen celebrates her 80th Birthday. She will actually be 80 on the 21st April and will celebrate her official birthday on the 17th June. So that's two possible dates for the diary to ring peals or quarters to celebrate our monarch's milestone. It's also the 200th anniversary of the monarch's parade "Trooping The Colour"

More information (including why she has two birthdays) can be found at the official website for her 80th Birthday Celebrations at

<http://www.royal.gov.uk/queen80>

## **The Annual Dinner**

This year's Annual Dinner will be held at the County Hotel, Rainsford Road, Chelmsford, on Saturday 7 October. The evening will follow the well-established format, with speeches and entertainment after the meal. There will of course be a bar!

An advance reservation system will operate again so you can be sure of receiving the tickets you need. Why not get a group together to make up a table of 7 or 8?

Booking forms will be available at the AGM or from the website.

## Special Training Day SW District

On Wednesday 15th February 2006, a special training session was held at Loughton.

This was principally for the benefit of young ringers from Epping and Loughton and was the brainchild of our District Master.

The young ringers were Simone and James from Loughton and Georgia from Epping and the helpers were Margaret French, Jane Walters, Barry Fisher, Len Bullock, Mary Perry & Roger Butt. Refreshments were provided by Hillary Kemp of Loughton.

The method being concentrated on was Plain Bob Minor with a view to ringing a Quarter the following Saturday 17th at Epping with all three youngsters involved.

The young ringers did very well together, both in ringing terms and on a personal level, encouraging each other as the session proceeded.

Unfortunately, the Quarter was not completed but was successful in giving them the chance to ring the longest touch of Minor that they had rung, some 600 changes. This was particularly true for Simone who had never attempted a Quarter before. The ringers were Simone, Treble; James, 2nd; Georgia, 3rd; Jane, 4th; Roger, 5th; Barry (Conductor), 6th with 7, 8 cover by Len & Perry French. Margaret French was also there, looking after the youngsters.

Nothing daunted, there is to be another training session in the next school holidays followed by another Quarter attempt. This time we'll get it for sure! If any other young ringers would like to join in, please encourage them to contact Margaret, Jane or the District Master.

Well done to all our young ringers and a big thank you to all our helpers.

## A Word From The New Editor

I would like to start by thanking Vicki for all the hard work she puts into the Association on all levels and to thank her for establishing the newsletter in this format.

Obviously I and the Association officers believe that this is an important tool for informing everyone of what is going on around the Association.

For my first attempt at producing this newsletter, I have followed the successful format that Vicki has produced over the years. I will try some new ideas, but essentially it will remain as is for now.

I can honestly say that I haven't read The Ringing World in so much detail as I have in the last three months! If I have missed an important Peal or Quarter then I apologise.

Please do read the attached paper prepared by Adrian Semken and Adrian Malton and respond with your comments. It's all too easy to sit back and let others do the talking, but here is an opportunity for all of us to make our feelings known and hopefully position The Essex Association for a successful future.

I will also take this opportunity to make a shameless plug for the CD recording of all 22 towers in the North Eastern district. I have plenty of copies still available at ten pounds, with the whole ten pounds going to the Association Bell Restoration Fund.

Finally, thanks to all those who have assisted me in the production of this newsletter by emailing me details. Please keep all those emails coming in with all your news.

Bryan Morrissey.
