

Parking for the 6 Bell Striking Competition at Sandon – 12 July 2025

There is some available parking in the church car park at Sandon Church, which is opposite the Crown Pub on the Village Green, at CM2 7SL.

Extra parking has been arranged in a field adjacent to Woodhill Road at Sandon Lodge Farm (CM2 7SG), which is only a short walk (650m) from the Church. It would be really helpful if those with no mobility issues could park in this extra parking.

The field is opposite the entrance to the farm and the entrance to the field (which is obvious) will be marked by signage – please do not drive into the farm entrance or farmyard as harvesting is underway.

The field is just over the A12 bridge on the right as you drive along Woodhill Road from Sandon towards Danbury.

The field is on the left, just over the humpback bridge, as you drive along Woodhill Road from Danbury towards Sandon.

Please note that this is a rural field and there may be uneven surfaces.
